The image is a promotional graphic with a red background. A diagonal white line splits the background into two sections. The upper-left section shows a stack of golden-brown, round cookies on a white plate. The lower-right section shows a white plate filled with various holiday treats, including round cookies with pink and white icing, round cookies with red and green sprinkles, and round pastries with dark, craggy tops. A silver fork is stuck into the pastries. In the background, a Christmas-themed tablecloth with a Santa Claus and reindeer pattern is visible. The text 'Join the Momentum...' is written in white, bold, sans-serif font on a dark grey, semi-transparent rectangular background that is positioned over the cookie stack.
